

St. Mary's Academy Enrollment Drive for 2010/2011

- Would you like your children to be given the attention they deserve in school?
- Do you live in Quebec and want your children to be fluent in English as well as French?
- Would you like your children to attend school without fear of bullying?
- Would you like your children to look forward to going to school because they have a nurturing, loving environment?

If you answer “yes” to any one of these questions, you owe yourself and your children a visit to St. Mary's Academy. Located at 1129 Route 9 (Main Street) in Champlain, New York, the school is less than five minutes south of the Québec border near Lacolle and less than ten minutes from Alburgh, Vermont.

During February and March 2010, St. Mary's Academy is welcoming children (and parents) to spend a day visiting us and experiencing what our school has to offer your child.

Although you can arrange a visit at any time, we are arranging some special dates:

- February 22nd – 26th for Vermont students that are off for winter break
- March 1st – 5th for Quebec students that are off for winter break
- The afternoon of March 11th and all day March 12th for New York students who have early dismissal or no school (free lunches will be provided)

St. Mary's has dedicated, professional, faith-filled, certified teachers and a strong academic program. Our students consistently score high on New York State Standardized Tests. We are proud to be a school where there is no bullying and no teacher raises their voice to the children. We work individually with those who struggle with problems, be they academic or social. Religion is taught daily, school Masses are scheduled monthly, and Gospel values are taught and lived.

We have soccer and basketball teams. During the winter months, skating, skiing, and bowling experiences are provided. Other field trips and events are scheduled throughout the school year.

We also have a Federal Breakfast and Lunch Program, pre-school care from 7:00 – 8:30 a.m., and an aftercare program from 3:00 – 5:30 p.m. at \$5 per day (especially appreciated by parents who work until five). Tuition is \$2,550 - \$3,050 per year and tuition assistance is available.

For more information, please call our Principal, Sister Marie Cordata at 518-298-3372.
